

2022

CANCER DISPARITIES & HEALTH EQUITY SUMMIT

The Diplomat Beach Resort, Hollywood, FL

NOVEMBER 11 - 12, 2022

FLORIDA SOCIETY OF CLINICAL ONCOLOGY

Event Overview WHO SHOULD ATTEND?

FLASCO is bringing together leaders in cancer disparities & health equity to advance the understanding of and promote their elimination.

Cancer disparities represent a significant public health problem in our state and country.

- Oncology Nurses
- Practice Administrators
- Pharmacists
- Advanced Practice Providers
- Social Workers
- Patient Advocates
- Financial Counselors

LEARNING MODULES

Professionals from academia, industry, and the community are coming together with the shared mission of closing health equity gaps and developing and sustaining diversity and inclusion efforts in the health system of Florida. Together they will promote the exchange of novel ideas, discuss the latest findings in the field, and stimulate the development of new research, advocacy, and policy on cancer disparities.

MODULEI

Biological & Social Determinants in Cancer Disparities

MODULE IV

Keynote Presentations

MODULE VII

Assessment of the Impact of Social Determinants of Health Equity in Cancer Disparities

MODULE II

How Industry is Addressing Disparities in Health Care

MODULE V

Cancer
Disparities in
Education &
Clinical
Research

MODULE VIII

How Industry is Addressing Disparities in Health Care

MODULE III

Looking for Health Equity in Public Health, Policy, & Government

MODULE VI

Addressing Disparities in Survivorship, Supportive, Palliative, & End-of-Life Care

MODULE IX

Advocacy, Community, & Academic Partnerships to Address Cancer Disparities

2022 Cancer Disparities & Health Equity Summit FRIDAY, NOVEMBER 11, 2022

Signature Sign	3-3:30 PM	PM Registration, Exhibits, Networking
