Acceptance of Risk Relating to Coronavirus/COVID-19

I am aware that COVID-19 has been declared a worldwide pandemic by the World Health Organization, and that the novel coronavirus that causes COVID-19 is highly contagious and believed to be spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and the implementation of other safety measures such as frequently washing hands, limiting large group gatherings and the wearing of masks.

I understand that attending FLASCO’s Fall Session, October 28-30, 2021, (the “Conference”) **in-person** will involve, by its nature, congregation of members, presenters and facilities staff, which may or may not always meet social distancing guidelines.

FLASCO and the Gaylord Palms Resort and Convention Center where the Conference will be held have put in place measures to attempt to help reduce the risk of the spread of coronavirus and COVID-19; however, by attending the Conference, I acknowledge that I understand and agree that FLASCO **cannot guarantee** that I, or any other person, will not become ill, including with COVID-19.

I acknowledge that I have been given the option to select either in-person attendance or virtual attendance at the Conference, and that **in-person attendance** at the Conference **may increase** my risk of contracting illnesses, including COVID-19.

As a condition to my in-person attendance at the Conference, I assume full responsibility for my participation in and in-person attendance at the Conference and any related events, including as relates to any illness, exposure or infection, and I discharge, indemnify, hold harmless, and covenant not to sue FLASCO and/or its employees and agents in relation to any illness, or injury experienced or incurred in connection with my attendance at or participation in the Conference or any Conference-related events. Likewise, I agree not to attend the Conference in person if I have within the past 14-days:

- **tested positive** for COVID-19, or **experienced (or am experiencing)** fever, chills, cough, shortness of breath, sore throat, and/or exhibited any other flu-like symptoms or respiratory issues;
- **had close contact with a person** who tested positive for COVID-19, experienced fever, chills, cough, shortness of breath, sore throat, and/or exhibited any other flu-like symptoms or respiratory issues; and/or
- **was self-quarantined for any other reason** due to potential exposure to COVID-19.

.....
I acknowledge receipt, understanding and acceptance of this Acceptance of Risk Relating to Coronavirus/COVID-19, and agree to comply with them at all times while I am attending the Conference or any Conference-related event.
