Accreditation and Credit Statements

In support of improving patient care, this activity has been planned and implemented by the Medical Educator Consortium and the Florida Society of Medical Oncology. The Medical Educator Consortium is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 3.5 Interprofessional Continuing Education (IPCE) credit for learning and change.

Physician - The Medical Educator Consortium designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing - The Medical Educator Consortium designates this activity for 3.5 contact hours. Pharmacotherapy contact hours for Advance Practice Registered Nurses will be designated on your certificate.

Pharmacist - This Application based activity has been approved for 3.5 contact hours (.3 CEUs) by the Medical Educator Consortium. The Universal Activity Number for this program is JA4008179-9999-20-006-L01-P. Your CE credits will be electronically submitted to CPE Monitor® within 60 days upon successful completion of the activity.

Physician Assistant - The Medical Educator Consortium has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 3.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Disclosure Policy - The Medical Educator Consortium (MEC) adheres to the Joint Accreditation Criteria and ACCME Standards for Commercial Support, which requires everyone in a position of controlling the content of a CME/CE activity to disclose all relevant financial relationships with commercial interests related to the activity. MEC has implemented a mechanism to identify and resolve all conflicts of interest prior to the CME/CE activity being delivered to learners. The source of all support from commercial interests will also be disclosed to learners prior to the beginning of the educational activity. CME/CE activities must be balanced, independent of commercial bias, and designed to improve quality in health care. All recommendations involving clinical medicine must be based on evidence within the medical profession.

Disclosure of Unlabeled Use - This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contradictions, and warnings.

Disclaimer - Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient’s conditions and possible contradictions and/or dangers in use, review of any applicable manufacturer’s product information, and comparison with recommendations of other authorities.
