

SPECTRUM IS COMMITTED TO APPROPRIATE PATIENT ACCESS TO CARE

Spectrum Co-Pay Program

\$0 Out of pocket for first dose

\$25 Out of pocket for subsequent dose

For patients with commercial healthcare insurance

The STAR co-pay program will provide the following co-pay assistance, if eligible, across the Spectrum portfolio*:

- First Date of Service: **\$0 patient out of pocket.** STAR will cover 100% of the co-insurance/cost share for the Spectrum product.
- Subsequent Dates of Service: Patient will be responsible for the first \$25 of the co-insurance/cost share for the Spectrum product. STAR will cover the remaining cost share for the Spectrum product at 100%.

Getting started is easy. Please complete the STAR enrollment form and fax it to 1-866-930-1562.

* This program provides up to \$10,000 per calendar year to assist with patient co-pay/co-insurance costs. The patient is responsible for any out of pocket costs above this amount.

Spectrum Pharmaceuticals, Inc.® does not guarantee coverage and/or reimbursement for its products. Coverage, coding, and reimbursement policies vary significantly by payer, patient, and setting of care. Actual coverage and reimbursement decisions are made by individual payers following the receipt of claims. Health care professionals should always verify coverage, coding, and reimbursement guidelines on a payer-and patient-specific basis. Spectrum Pharmaceuticals, Inc. reserves the right to change eligibility guidelines, or terminate, or modify the STAR program at any time for any reason.

Important Note: Not valid for patients eligible for benefits under any state or federally funded programs, including but not limited to Medicare or Medicaid, Medigap, VA, DOD and TriCare.

SPECTRUM IS COMMITTED TO APPROPRIATE PATIENT ACCESS TO CARE

Spectrum Therapy Access Resources (STAR®) is a reimbursement support, co-pay assistance, and patient assistance program designed to help patients and health care professionals gain appropriate access to certain Spectrum products.

Patient Assistance Program

STAR includes a patient assistance program that provides certain Spectrum drugs free of charge to enrolled patients who meet the income, insurance and citizenship/residency eligibility criteria.

- If approved, the STAR distributor will ship patient-labeled product to the prescribing physician for *future outpatient therapy*

Reimbursement Support Services

- Verification of patient-specific insurance benefits
- Pre-submission claims review and support
- Prior authorization assistance
- Coding and billing guidance
- Payer research
- Denied and underpaid claims assistance
- Alternate funding research
