

Introducing myBeiGene

Personalized support
for each patient's needs

BRUKINSA.com

The Oncology Nurse Advocates have extensive experience working with and supporting cancer patients

What sets the myBeiGene program apart from other programs:

1. It is staffed with nurses who have prior experience working with oncology patients
2. Practices and their patients get a dedicated Oncology Nurse Advocate assigned to them
3. We seek to offer comprehensive patient support, including connecting patients to helpful resources that can address their personal needs

Complete commitment to your patients

SIMPLIFYING ACCESS

- Assists with insurance verification and prior authorization support
- Co-pay as little as \$0/prescription for commercially insured patients*
- Bridge supply for insurance coverage delays[†]
- Free product for uninsured and underinsured patients[‡]

EDUCATING PATIENTS

- Helps provide information about their disease and treatment with BRUKINSA™ (zanubrutinib)
- Patient and caregiver follow-up support
- Dedicated Oncology Nurse Advocates for practices, patients, and caregivers

SECURING SUPPORT

- Assists patients and caregivers with practical help through connecting patients with advocacy groups and local/national free resources such as:
 - Counseling services
 - Support group information
 - Transportation/lodging assistance

Whatever your patients' needs—we work to provide solutions or connect them to the right resources

*No patient income requirement. Annual benefit limit of \$25,000. Patients are ineligible if prescriptions are payable by any state or other federally funded programs, including, but not limited to, Medicare, Medicaid, VA, or TRICARE, or where prohibited by law. Eligibility criteria and restrictions apply.

[†]15-day supply of medication (for on-label use only) in case of a coverage delay lasting longer than 5 days. Eligibility criteria and restrictions apply.

[‡]Certain financial and eligibility criteria apply.
